Downtown Brampton dining hotspot featured on Rogers TV

The Olympic Games inspire people in a variety of ways. Some choose to exercise more hoping to emulate their favourite competitors while others let the golden moments that transpire lift their creativity to new heights. Downtown Brampton restaurant Nexus definitely falls in the latter category as their delicious Olympic Rings Calamari dish, new to their menu with the build-up to Vancouver 2010, was recently featured in a cooking segment on Rogers TV's Daytime. Hosts Deja Gordon and Deja Dhanraj joined Nexus' Chris Archdekin and Chris Edgar as the dish was prepared, created, and plated for Daytime's viewers. Nexus, located at 35 Main St North, is the ideal starting point for a night out in Brampton. Call (905) 796-0212 to set up an appointment.
