GTA Chronic Pain Relief Clinic Grand Opening

Monday, Jun 28 2010, 10:00

On June 10th, 2010 GTA Chronic Pain Relief Clinic celebrated their grand opening. The downtown Brampton business is located at 45 George Street South. GTA Chronic Pain Relief Clinic specializes in pain rehabilitation and management by natural, drug-free treatment. Some of the services offered at the clinic are active therapy (cardio, stretching and strengthening exercises), physiotherapy and massage therapy. Currently, with a staff of 4 members the pain clinic occupies 3000 square feet in their new home. GTA Chronic Pain Relief Clinic will help local Brampton residents achieve a high quality of life while adding to the strong presence of the health and wellness sector in the downtown core. At left, Alex Vatmahter (Operations Manager) and Yelena Durneva (Office Manger) of the pain clinic watch as Mayor Fennell cuts the ribbon to officially open the clinic. Alongside for the ribbon cutting is Regional Councillors John Sanderson and Grant Gibson and Karen Campbell, President of the Brampton Downtown Development

Corporation.
