

THE WESTON SILVER BAND AT GAGE PARK

The Weston Silver Band brought their eclectic repertoire to Gage Park for the July 20th instalment of the Brampton Downtown Development Corporation's 2010 Summer Concert Series – sponsored by the Investor's Group. With hundreds in attendance, the Weston Silver Band performed Big Band swing and jazz to favourites from Broadway and Hollywood, as well as traditional marches to a great response. The Brampton Concert Band's David Harmsworth even joined in on the fun, playing trumpet with the WSB during the early stages of the show. The Thursday Night Concert Series is roaring into August and runs until September 9th. For a full list of performers, go to www.bramptondowntown.com – or check out the SNAP Brampton Event Calendar for dates and times!
