INVESTORS GROUP THURSDAY NIGHT CONCERT SERIES IS BACK!

Monday, May 29th, 2008 – DOWNTOWN BRAMPTON

GREAT CHANGES FOR INVESTORS GROUP THURSDAY NIGHT CONCERT SERIES

This year we have changed things up a bit. The series will begin two weeks later, kicking off Thursday, June 18 at 7PM in the Gage Park Band Shell and will run for twelve weeks, with the final night falling on Thursday, September 3, 2009.

Join the Brampton Downtown Development Corporation (BDDC), Investors Group and the Brampton Concert Band on the Grand Opening day of the concert series – they will be hosting an appreciation night with a free BBQ beginning in Gage Park at 6PM.

Other great dates to remember include a family night with Juno nominated children's performer Chris McKhool and also a night devoted to the wonderful music and culture of Newfoundland with Luke Cox & Off the Rockers.

We will end the season a little later this year (Thursday, September 3) with the traditional performance of the Brampton Concert Band accompanied by the Lorne Scots.

All concerts are from 7PM to 9PM – so bring a lawn chair, pick your spot and enjoy the 2009 line up this summer.
